## MARTINI'S

### the martini

maybe the most famous cocktail and probably the one with the most star studded and mythical provenance. the martini is derived from a cocktail called the martinez first seen in san francisco around 1862. a true martini should be made with a little dry vermouth stirred with a large measure of gin and lots of ice. try a classic martini with your choice of gin or vodka or one of the many twists born from this legend of drinks. also available: vesper, gibson, gimlet & bradford. enjoy your martini dirty, churchill or montgomery...
