

ORIENTAL
pavilion

- *If all the flavors and fragrances of China could be transported together under one roof, It would have been in the imperial kitchen of yore. Where, centuries-old secret recipes from across the length and breadth of the great walled empire regaled the princely palate in the forbidden city.*

Our Master Chef- Bravo, recreates that royal dining experience for you ,with all the gastronomic elements and above all, skills acquired from the Sichuan,Hunan, Canton, Shanghai and Shandong provinces. Come, embark on a whole new epicurean voyage that will leave you yearning for more!

The image features a dense, repeating pattern of stylized koi fish and lotus flowers. The koi fish are depicted in a white outline style, swimming in various directions. The lotus flowers are rendered in a yellow outline style, with some showing detailed petal and stamen structures. The background is a solid, vibrant red. The overall aesthetic is traditional and elegant, typical of Japanese or Chinese decorative motifs.
